OUR MISSION

Wayne Woodlands Manor is committed to providing the highest quality medical, restorative and rehabilitative resident care. Using a holistic, interdisciplinary approach, we treat every individual with a philosophy focused on helping residents regain maximum health, function and quality of life. Each person is treated with dignity and respect and encouraged to be independent in thought and action.

Opportunities are provided for maintenance of religious beliefs through pastoral care, on-site services and quiet areas. All caregivers are individually responsible for providing a nurturing and stimulating environment that helps residents cultivate and sustain emotional, physical and spiritual wellness.

CONNECTING COMMUNITY AND HEALTHCARE

OUR FACILITY

WAYNE WOODLANDS MANOR is a beautiful 121-bed skilled nursing home and rehabilitation center nestled in the gentle countryside of central Wayne County.

Licensed professional staff provide specialized medical care, supportive individualized attention and rehabilitation services for both short and long-term care needs.

SERVICES include:

- 24-hour professional quality Nursing Care
- Registered Dietitian services
- Wound Management
- Rehabilitative Services
- Social Services
- Full Schedule of Activities
- Respite Care
- Hospice Care

INDIVIDUALIZED CARE GROUP SUPPORT

Wayne Woodlands Manor is committed to increasing the satisfaction of residents and families. We offer quality healthcare in a less structured environment than acute care, and we treat people individually with programs that enhance and promote an independent lifestyle.

Staff members employ a Total Care approach, incorporating every aspect of a resident's condition and lifestyle into his or her individualized treatment plan.

Comprehensive rehabilitation programs include physical, speech and occupational therapies where needed. Our therapists and therapist's assistants utilize the latest equipment and techniques.

The *Residents' Council Committee* allows residents to participate in decisions about activities and cultural programs throughout the year.

ACCOMODATIONS: Our rooms are private and semi-private. Residents enjoy a communal dining hall and activity rooms, as well as outdoor gardens and benches. There is also a spacious and handsomely furnished "family room" that can be utilized for private family events, dinners and meetings.

PETS: Wayne Woodlands Manor has at present two friendly dogs who promote feelings of warmth and well-being among staff and residents alike.

Wayne Woodlands Manor is licensed by the Pennsylvania Department of Health and is a member of the Pennsylvania Association of County Affiliated Homes.

We accept the following:

Medicare
Medicaid
Various Insurances
Private Pay

Wayne Woodlands Manor provides care to persons without regard to race, creed, sex, color, age, national origin, handicap or payor source.

For more information or to arrange a personal visit and tour, please call the Admissions Department at (570) 488 – 7130.
