

Ise Kannebecker, CRNP, Family Nurse Practitioner

Education and Training

- Master's degree in nursing, University of Scranton Family Nurse Practitioner Program
- Bachelor's degree in nursing, East Stroudsburg University
- Bachelor of Arts in Music, Smith College, North Hampton, MA
- Certified Music Practitioner

As a certified family nurse practitioner, Ise treats patients of all ages for primary care. She provides a complete range of services including diagnosis and treatment of acute and chronic conditions, suturing of minor lacerations, immunizations, and physicals. Ise also specializes in gynecological services using a holistic approach which may include integrative therapies, lifestyle and diet modifications, medications and traditional courses of treatment. Ise joined Wayne Memorial Community Health Centers in 2015.
