

Christina MacDowell, CNM, Certified Nurse Midwife

Education and Training

- Master of Science degree in nursing/nurse-midwifery, Frontier Nursing University, Hyden, KY
- Bachelor of Science degree in nursing, Penn State University, University Park, PA
- Associate Degree in nursing, Luzerne County Community College, Nanticoke, PA

As a certified nurse midwife, Christina provides prenatal and intrapartum care to expectant mothers and facilitates births (including water births) at the New Beginnings Birthing Suites of Wayne Memorial Hospital in Honesdale. Christina also offers postpartum care and sees gynecology patients for exams, family planning needs and acute minor gynecological problems. Christina joined Wayne Memorial Community Health Centers in 2017.
