

Emily Nebzydoski, MD, Pediatrician

Education and Training

- Board Certified Pediatrician
- Medical Doctorate, Pennsylvania State University College of Medicine, Hershey, PA
- Pediatric internship and residency completed at the University of Rochester Medical Center, Rochester, NY
- Bachelor of Science degree in Biology, University of Scranton, Scranton, PA

As a pediatrician, Dr. Nebzydoski sees patients from birth to age 18. She provides diagnosis and treatment of illnesses, as well as monitoring of childhood growth and development, performing yearly routine physicals, and administering immunizations. In addition to general outpatient pediatrics, Dr. Nebzydoski also supervises coverage of newborns at Wayne Memorial Hospital's New Beginnings Birthing Suites. She joined Wayne Memorial Community Health Centers in 2016.
