

## **Trupti Pandit, MD, FAAP, Pediatrician**

### **Education and Training**

- Board Certified Pediatrician
- Pediatric Residency, John H. Stroger, Jr. Hospital of Cook County, Chicago, IL
- American Academy of Neurology
- Medical Degree, B. J. Medical College, Pune, India

Trupti Pandit, MD, sees patients from birth to age 18. She provides diagnosis and treatment of illnesses as well as monitoring of childhood growth and development, performing yearly routine physicals, and administering immunizations. Dr. Pandit also has extensive experience in pediatric neurology. In addition to general outpatient pediatrics, she also supervises coverage of newborns at Wayne Memorial Hospital's New Beginnings Birthing Suites.

Dr. Pandit is passionate about research and philanthropy and has volunteered with many community health initiatives in the U.S. and abroad. She is fluent in English and Spanish. Prior to joining Wayne Memorial Community Health Centers in 2017, she practiced at Saint Anthony Affiliated Clinic, Chicago, IL and The Wright Center, Scranton, PA.
