

Joanne Pellicane, MD, Obstetrics & Gynecology

Education and Training

- Board Certified Obstetrician/Gynecologist
- Medical Degree, Autonomous University of Guadalajara, Mexico
- OB/GYN residency at Rutgers University/University of Medicine & Dentistry of New Jersey with rotations at Muhlenberg Regional Medical Center, Middlesex General Hospital, St. Peters Medical Center and JFK Medical Center

As an obstetrician/gynecologist, Dr. Pellicane treats women's health needs including prenatal care for expectant mothers, well-woman and well-teen exams and peri-menopausal counseling. She worked in private practice for 21 years before taking time off to raise her family. Dr. Pellicane joined Wayne Memorial Community Health Centers in 2010.
