

## **Melissa Rickard, CRNP, DNP-BC, Family Nurse Practitioner**

### **Education and Training**

- Board Certified Family Nurse Practitioner
- Doctorate in Nursing, University of Scranton
- Family Nurse Practitioner Program, University of Scranton
- Practicing since 2001

Melissa Rickard has been practicing at Wayne Memorial Community Health Centers since its inception in 2008. As a family nurse practitioner, Melissa treats patients of all ages. She provides a complete range of services including diagnosis and treatment of acute and chronic conditions, EKG, suturing of minor lacerations, immunizations, school physicals, drivers physicals and CDL physicals.

Melissa served as a commissioned officer in the US Army Reserve and was deployed to Germany as part of Operation Iraqi freedom, where she gained significant experience helping to provide care for more than 8000 patients at the European Regional Medical Command. She also participated in military medical exercises in Paraguay and Hawaii.
