

Nicole Sklareski, PA-C, Physician Assistant

Education and Training

- Master of Science in Physician Assistant Studies, Marywood University
- Bachelor of Science in Biology, University of Scranton
- American Academy of Physician Assistants
- Pennsylvania Society of Physician Assistants

As a dedicated walk-in provider and a certified physician assistant, Nicole treats conditions such as sprains, minor lacerations, colds and allergic reactions in children, adolescents and adults. She refers patients needing ongoing care to their primary provider. Nicole joined Wayne Memorial Community Health Centers in 2015.
