

Wayne Memorial Health Foundation

This year's golf tournament on August 13th for the benefit of Wayne Memorial Health Foundation is the 32nd and the 12th in memory and celebration of the life of Harry Kiesendahl who served on the Board of Community Health Concern from 1981 until 1987. CHC was the original corporate vehicle that recruited many new physicians to the community and was the forerunner of Wayne Memorial Community Health Centers that now employs over 285 people, including 60 professional care givers who provide the bulk of behavioral health and dental services for the Medicare and Medicaid population of both Wayne and Pike Counties.

Last year's tournament was a huge success with approximately \$53,000 raised for the benefit of the Hospital. It is appropriate that we thank the players and sponsors for their extraordinary generosity and kindness that assures the success of the event, year after year.

It is that same spirit of determination and love of the community that motivated our friend, Harry, that has guided and moved the current Health System Board members to move forward renovating major portions of the Hospital, as well as, construct a new patient tower with all private patient rooms. The total cost of this project is in excess of \$40 million. Additional properties adjacent to the Hospital have already been acquired and converted into much needed parking space. A rendering of the new patient tower appears on the back of this brochure. This exciting and bold endeavor occurs on the eve of Wayne Memorial's 100th Anniversary in 2020. Originally dedicated to forty-seven Wayne County servicemen who made the supreme sacrifice during World War I, Wayne Memorial continues to grow and thrive in that tradition of self-sacrificial service to others. Please join in our approaching celebration by supporting the 32nd Wayne Memorial Health Foundation Golf Tournament; and help ensure the future of your community-owned Hospital.
