Prior to becoming a Board-certified Registered Nurse Practitioner, Candace was a Registered Nurse for five years. Her experience included orthopedic, medical/surgical care and inpatient hospice care. She also served in the role of RN Case Manager for Asera Care Hospice. She joined Wayne Memorial Community Health Centers in 2017.

Nurse practitioners are advanced practice nurses who provide high-quality healthcare services similar to those of a physician. Besides clinical care, nurse practitioners focus on health promotion, disease prevention, health education and counseling. Candace provides a complete range of services including diagnosis and treatment of acute and chronic conditions, suturing of minor lacerations, immunizations and physicals for adult patients.
