

John Weisenreider, MD, FACP, Internal Medicine

Education and Training

- Board Certified in Internal Medicine
- Fellow of the American College of Physicians
- Medical Degree, Autonomous University of Guadalajara, Mexico
- Internal Medicine Residency, Muhlenberg Hospital, NJ

As an internist, Dr. Weisenreider treats patients 14 years of age and older. He focuses on the management of chronic diseases such as hypertension and diabetes, with an integrated approach including education and resources to help patients improve their overall health. Dr. Weisenreider provides a complete range of diagnostic and treatment services including treatment of acute conditions, joint injections, physicals, EKG, suturing of minor lacerations and minor surgery.

Dr. Weisenreider was in private practice in New Jersey for 28 years prior to joining Wayne Memorial Community Health Centers in 2007. He currently serves as the organization's Medical Director.
