Paul Diamond, MD, sees patients from birth to age 18. He provides diagnosis, treatment and management of illnesses as well as monitoring of childhood growth and development, performing yearly routine physicals and administering immunizations.

Dr. Diamond has treated patients in Wayne, Pike, and Lackawanna Counties in PA as well as bordering counties in New York and New Jersey since 1990 as a physician partner of Pediatric Practices of Northeastern PA (PPNP). PPNP transitioned from an independently owned to member-organization practice in August of 2019 when it joined Wayne Memorial Community Health Centers, a federally qualified health center clinically affiliated with Wayne Memorial Health System, Inc.
