

Wayne Memorial Health Foundation

This is our 34th annual golf tournament and the 14th in memory of Harry Kiesendahl, who founded Woodloch Pines Resort and served tirelessly as Chairman of Wayne Memorial's Wayne Health Services Board for many years.

Many of our players and sponsors return year after year to support their non-profit community health system. Last year's tournament raised approximately \$43,000 for the Wayne Memorial Health Foundation, which was subsequently earmarked to support our Second Century Fund for recruitment of physicians and purchase technology. We thank those who contributed for helping to assure the success not only of the tournament but also the future of our health system.

Wayne Memorial was able to construct and open a private-room patient tower last year that proved serendipitous for us in 2020. When the pandemic struck our community, we used a previous patient floor to construct a separate containment unit to isolate and treat COVID-19 patients.

Wayne Memorial is marking its centennial this year. In May, the hospital was rededicated to all veterans of the U.S. Armed Forces, individuals committed to defending our freedom and democracy. It was previously dedicated to veterans only from Wayne and Pike counties, and before that, at its founding, to Wayne County troops who had made the ultimate sacrifice in World War I. For more information about the hospital's centennial, visit wmh.org/our-centennial.

Note: This year you can register via e-mail to WMHF@wmh.org. You can pay online at wmh.org/golf-tournament. Please list all player names, e-mail addresses and dinner choices.

A Special Year...

Welcome once again to our annual golf tournament, which will include a sumptuous sit-down dinner this year instead of our customary buffet. Your dinner choices are included with this brochure. While some of our traditional practices have been altered to help reduce the potential for exposure to COVID-19, we still anticipate a terrific tournament. Please observe Woodloch's protocols, which follow all state and federal guidelines for large gatherings. **Here are some of the new rules:**

- Masks are recommended for players in common areas.
- Players must have their own clubs; no sharing of clubs permitted.
- All touchpoints on carts and course are limited (pencils, scorecards, towels).
- Flagsticks at holes must not be adjusted or removed. They have a foam insert to avoid ball dropping in hole and eliminating any contact with the flagstick.

Registration starts at 10:30am. Shotgun start at 12 Noon. Format: 4-person Captain and Crew.

Course prizes will still include the longest drive, straightest drive and closest to the pin for men and women. Separate flights and prizes for men, women and mixed teams.
