

Apurva Jain, MD, Board-certified Pediatrician

Education and Training

- Board-certified by the American Board of Pediatrics
- Fellow of the American Academy of Pediatrics
- Residency in Pediatrics at Texas Tech University of Health Sciences Center in Amarillo, TX
- Master's Degree in Public Health/Epidemiology from the University of Texas Health Sciences Center, Houston, TX
- Medical Degree, Terna Medical College, Navi Mumbai, India

As a board-certified pediatrician, Dr. Jain sees patients from birth to age 18. She provides diagnosis and treatment for the full spectrum of illness as well as monitors childhood growth and development, performing yearly routine physicals and administering childhood immunizations. Dr. Jain also has a special interest in the evaluation and management of Attention Deficient Disorder (ADD).

Dr. Jain uses a collaborative approach to maintain the health of her patients, by working closely with parents and guardians to provide preventive primary care. She joined WMCHC in 2020.
