As a board-certified nephrologist, **Dr. Zaima Choudhry** diagnoses and treats adult patients suffering from kidney related diseases. In her role at Wayne Memorial Hospital, she conducts inpatient nephrology consults. She works in conjunction with the DaVita outpatient dialysis clinic at the Stourbridge Complex in Honesdale as well as the DaVita Home Dialysis Center in Moosic, PA. Additionally, Dr. Choudhry is a Certified Hypertension Specialist who treats the most complex and difficult cases of uncontrolled high blood pressure. Outpatient office visits are held at the Wayne Memorial Physician Specialty Clinic by appointment.

Dr. Choudhry joined the Wayne Memorial Hospital Medical Staff in 2021.
