

# UPDATE YOUR

Wayne Memorial Community Health Centers (WMCHC) has updated its patient portal! To access previously available features and MORE to come, you must create a new account. Just follow the easy steps below:

1.

Provide your email address to the front desk staff at your physician's office.

2.

You will receive an email invitation from ezAccess.com to activate your portal account. ezAccess is WMCHC's partner in managing .

3.

Create a username and password. Follow the on screen prompts to create the account.

**IMPORTANT:** If you had a  account set up prior to June 1, 2022, you will need to create a new one to access the portal moving forward.

*Recommended browsers are either Chrome or Microsoft Edge.*

**Portal Technical Support:**  
570-253-8132 or email [CHCSupport@wmh.org](mailto:CHCSupport@wmh.org)

# WHY USE CHC *connect*

- Request appointments
- Renew prescriptions
- Request test results
- View an office visit summary
- Ask a billing question
- Complete paperwork
- Update personal info
- Update insurance info
- Ask non-urgent health questions

## LEARNING ABOUT NEW FEATURES

WMCHC plans on rolling out more features such as bill pay online and enhanced appointment scheduling.

Check out the billboard section of your portal log-on screen each time you log in to see what's new!
