

Brienne Frascella, CRNP, Certified Registered Nurse Practitioner

Education and Training

- o Master of Science Degree in Nursing, family nurse practitioner, Chamberlin College of Nursing, Downers Grove, IL
- o Bachelor of Science Degree in Nursing, Wilkes University, Wilkes-Barre, PA

As a Certified Registered Nurse Practitioner, Brienne works under the supervision of Wayne Memorial's team of board-certified general and interventional cardiologists. She holds out-patient office hours for patient evaluation and follow-up. She also administers stress tests at the Wayne Memorial Hospital Stress Lab.

Nurse practitioners are advanced practice providers who diagnose and treat acute and chronic conditions, perform physical exams, as well as order and interpret laboratory and radiological studies.

Brienne originally joined Wayne Memorial in 2021 where she practiced at the Hamlin Family Health Center. She transitioned to cardiology in June, 2022.
