

Wayne Memorial Community Health Centers Medical Assistant Training Program

Need to earn a living while pursuing MA Training? Wayne Memorial Community Health Centers (WMCHC), through its partnership with the National Institute for Medical Assistant Advancement (NIMAA) could be the right fit for you!

WMCHC is providing accepted NIMAA externship participants with an opportunity to further their education while working at one of our health centers. This means you will receive compensation and benefits as you're completing the program. Additionally, those who remain employed by WMCHC for 18 months following completion of their training AND certification may qualify for full tuition assistance.

To learn more, contact WMCHC NIMAA Coordinator at 570-251-6542 or email purdyvi@wmh.org
