

Heather Walters, PA-C, Physician Assistant
Family Medicine / Primary Care

Education and Training

- Master of Science, Physician Assistant Studies, University of Nebraska, Omaha, NE
- Graduate of Physician Assistant Program, King's College, Wilkes-Barre, PA

As a Board-certified Physician Assistant, Heather Walters, **PA-C**, diagnoses and treats acute and chronic conditions for patients age 2 to geriatric. She performs physical exams, orders and interprets laboratory and radiological studies and determines the need for specialist intervention.

Throughout her career, Heather has worked in both inpatient and outpatient settings specializing in the areas of Hematology/Oncology, Cardiothoracic Surgery and Family Medicine. She also served as an Academic Coordinator for Marywood University's Physician Assistant Program for five years.

Heather joined WMCHC in 2025 bringing with her more than 20 years of experience.
