Dr. Donald L. Preate, Jr., MD, FACS, is a Board Certified Urologist and Fellow of the American College of Surgeons who graduated from Thomas Jefferson Medical College in Philadelphia. He completed his surgical internship at the Hospital of the University of Pennsylvania and subsequently served as Chief Resident of Urology at the same institution. With nearly three decades of medical practice in northeast Pennsylvania, Dr. Preate specializes in diagnosing and treating genitourinary conditions, including prostate, bladder, penile, and testicular cancer, kidney stones, lower urinary tract infections, and urinary incontinence. Throughout his career, he has maintained privileges at all area hospitals and recently joined Wayne Memorial from the Lehigh Valley Health System. Before this, he spent twenty years with Delta Medix, a private surgical specialty group co-founded by his father, Dr. Donald Preate. Dr. Preate, Jr.'s academic contributions include serving as a professor in the Physician Assistant program at Marywood University and as an associate professor of Urology at both Geisinger Commonwealth School of Medicine and the University of Pennsylvania..
