Now seeing patients in
Wilkes-Barre, Honesdale,
& Susquehanna

Dr. Walter DelGaudio is a board-certified urologist with a degree from the University of Pittsburgh School of Medicine and residency training from the University of Toledo School of Medicine. He specializes in the urinary system, addressing conditions such as urinary tract infections, enlarged prostate, interstitial cystitis, and kidney stones for patients of all ages. With nearly 20 years of experience, Dr. DelGaudio has built a reputation for compassionate patient care. He takes the time to listen to his patients and tailor treatment plans to their needs. Dr. DelGaudio is dedicated to improving health and well-being in the community and is here to support you on your path to better urological health. Dr. DelGaudio's commitment to continuous learning ensures he stays updated on the latest advancements in urology, allowing him to educate his patients and help them understand their conditions and treatment options. Dr. DelGaudio is excited to bring his skills to Wayne Memorial, where he looks forward to serving the community and helping patients achieve optimal urological health.

Whether you require routine care or are facing specific urological challenges, Dr. DelGaudio is here to support you every step of the way.
