Melissa A. Colarossi is a dedicated Nurse Practitioner with several years of experience in Internal Medicine. Melissa excels in providing primary care services, including assessing, diagnosing, and treating patients. Her strong leadership skills and commitment to patient education ensure that her patients receive top-notch care tailored to their needs. Melissa believes in the importance of clear communication and effective time management, which allows her to focus on what matters most—improving the quality of care for her patients.

Before becoming a Nurse Practitioner, Melissa gained invaluable experience in various nursing roles, including clinical nursing instruction and oncology care. She earned her Family Nurse Practitioner degree from the University of Scranton and has worked in various healthcare settings, including hospitals and walk-in clinics. Melissa is passionate about empowering her patients through education and support, making her an excellent choice for anyone seeking compassionate and knowledgeable care.

Melissa is excited to bring a high level of care to the community. Reach out to see how she can help you on your health journey.
